

WELCOME TO THE HOWICK CAMERA CLUB INC

HOWICK IS AN EASTERN
SUBURB OF THE CITY OF
AUCKLAND IN NEW
ZEALAND

Who we are:

We are a group of enthusiasts sharing a common interest in the art of Photography.

Where we meet:

In the basement of the Howick Contract Bridge Club which is located on the rear of the Howick Recreation Centre grounds. The Howick Recreation Centre is to be found about 100m before the Botany Road intersection with the Pakuranga — Howick Highway.

When we meet.

At 7:30pm on the First, Third and Fourth Monday of every Month from February to November Inclusive.

What we do:

On the first Monday we have our Print and Slide competitions. We enter our images in Open and Set Subject categories. Open images can be of any subject matter. Set Subject images must conform to a pre-set theme. The Open allows us to indulge our own preferences in Photographic style while the Set forces us to discipline and extend ourselves in photographic techniques. A guest commentates on each photograph and makes an award as in a Salon.

The third Monday is

dedicated to some form of instructional program. Members with an expertise in a particular facet of Photography pass their knowledge onto the other members.

The fourth Monday has a three point program. First we start off with classes for beginning members. This is followed with demonstrations of digital editing techniques. We have a very strong group producing digital images. For the third part we have discussion groups where photographs are shown and discussed.

Periodically we have outings to a photogenic area within easy reach of Howick. The outings are designed to provide a range of photographic subjects. More senior members help and advise the beginning members.
